UMBC LINUX USERS GROUP

Please Check In:

Who are we?

President
Alex (blahaj)

Vice President
dani (puppy)

Treasurer
Will (pptx.)

Secretary
Milk (🥛)

Alex (blahaj)

- Sophomore IS Major
- System Administrator & homelabber
- I like to travel and ride transit
- Cat haver
- Music enjoyer
- Shark Enthusiast

dani (puppy)

- junior is major
- sysadmin / homelabber
- i use arch btw (yes i use a beat up 10 year old thinkpad how did you know?)
- i like dogs

A LOT OF YOU WOULD

FOLD IN THIS SITUATION

Will (pptx. on discord)

Treasurer !! \$\$\$\$

- senior studying comp sci
- great taste in music
- uses linux btw....
- our wonderful treasurer
- arch + debian

My Dogs ->

TOP
TREASURE HERE!
GO FARTHER.

FACT: More than 300 divers, including open water scuba instructors, have found fat stacks of loot in caves just like this one.

FACT: Only scrubs needed training to dive. Loser need cave training and cave equipment to cave dive. But not you.

FACT: Without cave training and cave equipment, Casuals can die here.

FACT: It CAN'T happen to YOU!

THERE'S TONS OF PIRATE TREASURE IN THIS CAVE WORTH hundreds of \$!
DO GO BEYOND THIS POINT.

Who r
is

Mii

Milk info:

- Likes all milks (including lac toes)
- Runs Truenas scale at home (that's a linux ! ! ! ! ! ! ! !)
- Ams secret ar E 4
- Milk r is cools
- Minecraf favs gaems
- Milk is 87%water so you should drink 13% more milk than water

Introduction to the UMBC Linux Users Group

A little bit about LUG

- Founded in 1997 LUG is one of the oldest running student organizations on campus
- The UMBC LUG is one of many Linux User Groups operated around the world.

Linux user group

From Wikipedia, the free encyclopedia

A **Linux User Group** or **Linux Users' Group** (**LUG**) or **GNU/Linux User Group** (**GLUG**) is a private, generally non-profit or [not-for-profit organization](#) that provides support and/or education for [Linux](#) users, particularly for inexperienced users. The term commonly refers to local groups that meet in person but is also used to refer to online support groups that may have members spread over a very wide area and that do not organize, or are not dependent on, physical meetings. Many LUGs encompass [FreeBSD](#) and other [free-software](#) / [open source](#) Unix-based [operating systems](#).

Local LUGs [[edit](#)]

Local Linux user groups meet (typically weekly to monthly) to provide support and/or arrange and host presentations for [Linux](#) users, particularly for inexperienced users.

Installfest hosted by the [Rutgers University](#) Student Linux Users' Group in 2005.

What is the UMBC LUG?

- A resource for support and advice to new and experienced linux users at UMBC
- A space for discussion of all things Linux & FOSS
- An outlet for presentations on all sorts of technical topics
- A proponent of free and open source initiatives

Events

InstallFest

- Outreach event to introduce folks to linux
- Hand out USBs
- Happens every Fall

LAN Night

- Gaming on Linux, It actually works!
- Proper LAN infrastructure
- Games hosted on our servers
- Happens every Fall

LIVE LUG REACTION

Docker 101

- Happening this semester (March 11th)
- Comprehensive guide to docker and containerization
- Free Pizza too!

podman

SWAP Meet

- Partnership with SAD Club
- Happening this semester (April 4th)
- Opportunity to get or get rid of any kind of hardware
- Great for starting a homelab or having something to test out linux on.

Club Infrastructure

Club Infrastructure

- We have servers in the UMBC Data Center!!

Club Infrastructure

- We primarily operate a package mirror
- Other silly stuff like game servers as well
- More fun stuff to come

UMBC Linux Users Group Mirror

Available Repositories

Welcome to the **UMBC LUG Mirror**. We provide local mirrors for popular Linux distributions to support faster access for UMBC and the surrounding community.

Arch Linux

Debian

EndeavourOS

Manjaro

Linux Mint

Puppy Linux

Ubuntu

Ubuntu Releases

Mirror syncs automatically throughout the day.
Maintained by the UMBC Linux Users Group.

How to get Involved

- Last semester we asked people if they wanted to contribute to maintaining and improving the club infrastructure.
- We're finally ready for onboarding!
- If you had submitted an application you will be receiving info soon.
- Applications remain open for those interested
 - Great resume builder and opportunity for experience
 - Apply at <https://sh.lug.umbc.edu/sysadmin>

What's coming up

- Weekly Meetings
 - Next Week: History of Linux or Command Line Basics
 - Feb 18: FOSS
 - More meetings to come
- Presentation signups are still open
